

G.I. Milsim MICRO50™

MICRO50

Accessories Options

The GI Micro 50 is a tournament grade spool valve marker with low force bolt technology. Accuracy teamed with speed to match its more expensive counter parts, making it an affordable option for paintball sporting. Very accurate, quiet and soft on paint due in part to the low operating pressure of 160 PSI.

Includes:

- Custom Injection Molded Carrying Case
- Barrel Safety Bag
- Toolkit
- O-Ring Spares
- ASA Anti-Syphon Wedge

Unique Features

Regulated single bore spool valve design for accuracy

Upgradable body skins

True Electropneumatic spool valve design for accuracy and speed of tournament grade markers.

Vision eyes for fastest reliable fire rates

- Custom Barrels
- Drop Back Rails
- Custom Accent Colours
