

# Important Information for Owners of Pure Energy Air Systems containing the Reactor III Regulator

July 24, 2009

## KEE Action Sports Announces Free Replacement for Pure Energy Air Systems containing the Reactor III Regulator

KEE Action Sports has decided to offer a free replacement for the **Pure Energy Air Systems containing the Pure Energy Reactor III Regulator** because we learned that the bonnet on the regulator may unthread while the unit is being removed from the paintball marker. While the product fully complies with all safety regulations, KEE Action Sports' commitment to providing dealers and consumers with the best possible product has driven it to offer this replacement, free of charge.

The free replacement offer applies to the following air systems:

<u>Item No.</u>	<u>Description</u>
40650	Pure Energy 50cu 4.5K Ultra w/Reactor III (5 Year)
40670	Pure Energy 70cu 4.5K Ultra w/Reactor III (5 Year)
40690	Pure Energy 90cu 4.5K Ultra w/Reactor III (5 year)
40651	Pure Energy 50cu 4.5K w/Reactor III (5 year)
40671	Pure Energy 70cu 4.5K w/Reactor III (5 year)

The air systems were sold at paintball dealers and clubs from October 2008 to June 2009. KEE Action Sports has discontinued distribution of this product.

**If you own one of these Pure Energy air systems, please ship it via UPS to:**

Kee Action Sports  
Attn: Free Reactor III Replacement  
55 Howard Ave  
Des Plaines, IL 60018  
800-220-3222
